

Spring Cleaning, The Upcoming Summer, & Your Electrical System

Everyone thinks about clearing out their garage or pantry, but you should also consider your home's electrical systems. Now is the time, as spring comes to a close and before the heat of the summer settles in, to take care of your property!

While we can't help you to declutter your closets, we can definitely help provide our expert opinion when it comes to how to best care for your property's electrical system.

Fast Spring Cleaning Tips For Your Home

Is your property ready for the impending heat of the summer? We've got a few quick tips to help you take care of your home.

- **Repair & Replace Window Screens**
 - Bugs and critters can find a way in through cracks, crevices, and faulty window screens. (And duct tape doesn't count as a fix!)
- **Clean Out Your Gutters**
 - Clean out gutters. They've likely accumulated leaves, grime, and sediment from the fall and winter.
- **An Electrical Safety Inspection To Keep Your Home In Order**
 - Keeping your home in order is about more than dusting and decluttering - an electrical safety inspection is vital way to care for your property - and should be completed on a regular basis.

Superior Service Electric is here for all of your electrical system needs. Contact us [online](#) or call us at (205) 433-4022.
