"Call Us Today and We are On the Way!"

Make Your House Your Home In 2024

Let 2024 be the year you truly make your house your home!

Beyond our electrical safety inspections, we can also work hard to upgrade your property's electrical systems - like ceiling fans, lighting fixtures, and more.

We're here for 2024 and beyond to help keep you and your family happy.

New Year, New Beginnings For Your Home

2023 is in the rearview - and the possibilities of 2024 are endless! There's no better time than now to take the steps to really make your house a home you love to live in.

- **A Refresh For All Your Surfaces**
 - If you've had a busy holiday with company coming and going, chances are your kitchens and active surfaces have been extra busy. A deep cleaning, including common touchpoints like doorknobs and cabinet handles, can leave your home looking, smelling, and feeling fresh and clean.
- **Checking Expiration Dates**
 - While you can quickly tell when your milk has gone out of date, most of us forget to keep up with expiration dates on fire extinguishers, smoke detectors, water filters, and more. Take quick stock of your property and make sure your basics are up-to-date for ideal operation and reliability.
- **A Plan For Your Electrical Upgrades**
 - We can work together to come up with a plan to prioritize the electrical upgrades that make sense to you, your family, and your property.

Superior Service Electric is here for all of your electrical system needs. Contact us [online](#) or call us at (205) 433-4022.
